

Ninth CEOI Technology Call

Announcement 2

Reference: CEOI-ST Call for Mission and Technology Preparation Activities for
ESA Earth Explorer 9 – Announcement of Opportunity

Date of announcement: 7th September 2015

Bidders should provide the following additional information in the 'Mission Overview' section of their response (ref. 4.3.1 of the Announcement of Opportunity document):

- An assessment of the Scientific Readiness Level (SRL) of the mission with justification

Further information on the Scientific Readiness Level is contained in the ESA document "Scientific Readiness Levels (SRL) Handbook" (Ref EOP-SM/2776/MDru-mdru, issued 17/06/2015). A copy of this document is available from CEOI-ST on request.
