

Ninth CEOI Technology Call

Announcement 1

Reference: CEOI-ST Call for Mission and Technology Preparation Activities for
ESA Earth Explorer 91 – Announcement of Opportunity

Date of announcement: 1st September 2015

The timescales for the Mission Preparation and Technology Development activities provided on Page 2 of the CEOI AofO document are to be considered indicative. Alternative timescales, with good justification, will be acceptable, but note that the maximum overall project duration is 12 months.
